

Certificate of Zero Waste to Landfill

This is to certify that

The Cotswold Company (UK) Ltd

Has:

- Evidenced duty of care and a robust audit trail for end-of-life materials
- Achieved 99.48% diversion from landfill waste practices, with a recycling rate of 65.17%.
- Set goals for moving up the waste hierarchy, to reduce waste and reuse more materials.
- Achieve a continuous 2-5-year goal to reduce 1% of what is sent to Energy from Waste (EfW) each year.
- Set a limit for waste sent for EfW at 29.31% by 2029.
