

# Certificate of Zero Waste to Landfill

This is to certify that

**The Cotswold Company (UK) Ltd**

Has:

- Evidenced duty of care and a robust audit trail for end-of-life materials
- Achieved 99.7% diversion from landfill waste practices, with a recycling rate of 88.2%.
- Achieved goals for 2022-23 to move materials up the waste hierarchy, to increase recycling, reduce waste and reuse more materials.
- Achieve a continuous 2-5-year goal to reduce 1% of what is sent to Energy from Waste (EfW) each year.
- Achieved 11.6% for waste sent for EfW (goal to keep below 20%).
